RE: Marion County Election Plan – 2024 Primary Election

To the Honorable Members of the State Board of Elections:

The Marion County Board of Elections asks that you review our Election Plan for the 2024 Primary Election. Below, we will summarize the plan. Attached, you will find the Petition to Consolidate Precincts and Precinct Election Officers (SBE 74) for Early Voting and for those locations that will be consolidated.

The Marion County Board of Elections has voted to improve our "Common Sense Consolidation" for our Election Day polling locations. While we have historically offered the ability for voters to utilize any of the Election Day polling locations within their magisterial districts, creating "Magisterial Vote Centers", Marion County voters will now be able to cast their vote at any of the twelve (12) Election Day polling locations. We fully expect most voters to use their closest polling location, but this change will offer more options and less confusion. All locations will be the correct location for every registered voter. In addition to that, we will be offering three days of Early Voting on the Thursday, Friday, and Saturday before Election Day at the David R. Hourigan Government Building.

Below, you will find a list of the polling locations that will be open on Election Day for the 2023 Primary Election and the address for the facility. Attached, you will find a map of Marion County with the polling locations marked, the SBE 74 for Early Voting, and the SBE 74 forms for each of our "Common Sense Consolidations"
