Narrative Plan *(please attach additional sheets if needed)*

1.) Why is this consolidation of these precincts desirable?
 This is the same plan used in the last election
 All precincts will be able to vote at this Voting Center. Consolidated voting reduces the necessary number of poll workers needed. There is less confusion about where to vote because all voters with a designated excuse will vote at this one location.

2.) In what manner will Precinct Officers be assigned?
 This location will be fully staffed with election officials
 The election clerk will be responsible for the in person, absentee voting as well as one representative from the clerk's office so to represent two political parties.

3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"
 This voting center and designated excuses will be announced on the local radio stations and in the local newspaper on the week prior to excused, absentee voting.

4.) How will the voting location serve as a focal point to meet the needs of a diverse community?
 The selected location is familiar to the residents of Russell County. It has handicapped accessibility, ample parking, internet service, and public restrooms.

Narrative Plan <i>(please attach additional sheets if needed)</i>
1.) Why is this consolidation of these precincts desirable? <input checked="" type="checkbox"/> This is the same plan used in the last election The chosen location is one that is familiar and conveniently located for all Russell county residents. Setting up a voting center requires fewer poll workers and gives voters clarity about where to vote. Past election voters have responded favorably to this set up and location.
2.) In what manner will Precinct Officers be assigned? <input checked="" type="checkbox"/> This location will be fully staffed with election officials We will have two sets of Precinct officers working all day everyday of early voting. They will be selected from a pool of experienced volunteers, with two to four new workers training.
3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?" <small>We will have road front signage at the location. We will also have notices on the two local radio stations as well as in the local newspaper.</small>
4.) How will the voting location serve as a focal point to meet the needs of a diverse community? This is a very familiar and conveniently located location that meets all the requirements for a voting center. It offers ample parking, is handicapped accessible, has public restrooms, and internet service.
