

2020 General Election Early Voting Locations

** These locations do not need to be approved, though the emergency regulation states that SBE and SOS will help counties publicize early voting locations. Completing this form makes that possible.

Narrative Explanation of County Plan:

All voting locations will serve as voting centers. These locations were chosen as geographical locations to serve all voters in the county. Based on registered voters, we anticipate approximately 2500 voters to request absentee ballots and we should be able to accommodate 3500 in-person voting using four voter booths and two E-scan machines and one E-slate machine beginning October 6th if possible.
