Narrative Explanation of County Plan:

Barren County will have 3 county wide polling centers that any voter in the county can go to. We will have a polling center in the northern, central and southern part of the county to accommodate all voters in the county. Each location will have multiple check in stations, poll booths spaced 6ft apart and multiple E-scan machines. Barren County High School will be our largest polling center located in the central part of the county in the city of Glasgow. Each polling center will also have multiple "supplemental" tables where voters can go who have problems or need to sign the supplemental roster so we can keep check in lines moving. At each location we will have "enter" and "exit" doors only to limit voter contact.
