Narrative Explanation of County Plan:

Our Plan for the General Election is to have three Countywide voting Centers. Each voting center will have 14 poll workers, 5 Escan machines, 1 Eslate machine and 5 Epoll Books. The three locations that will be used is Pineville Independent School Gym, Bell County High School Gym and Middlesboro Community Center. All three of these locations are large facilities so poll workers and voters can social distance and follow the Center for Disease Control guidance. These locations allows us to have a voting center within each Magisterial district. Our County Board of Election feels this Plan will be the best for poll workers and the voters of Bell County to help keep them as safe as possible during the ongoing Pandemic of Covid 19.
