Narrative Explanation of County Plan:

Butler County would like to have a walk in County-Wide Voting Center in each of our 5 districts.

We also are requesting to use a drive thru to be located at our county road department. We had great success with the drive thru during the June 23rd, 2020 primary election.

We normally have 12 precincts and would like to have 10 precincts for this November 3rd, 2020 general elections. Please call with questions
