Is This an Amendment to an Existing Plan? Y/N

If Yes, Please Explain Amendment: We used (1) super center in our primary election. Now, due to higher numbers of voters we will need an additional polling place.

Narrative Explanation of County Plan:

We will utilize (2) "Super center" voting locations. Due to the higher volume of voters in this November General Election. The Bardwell Extension Community Room served as an excellent polling place due to the handicap accessibility issues we are confident this location provided necessary availability to our community of voters.

• Our second precinct for voting will be the Saint Charles Community Center as it is handicap compliant, offers suitable parking and is centrally located in the County.
