Narrative Explanation of County Plan:

The Christian County Board of Elections plan is to establish seven countywide voting centers throughout Christian County. Our county had a great deal of success with our one countywide voting Center in the June 2020 Primary. Our seven locations have ample parking, fully handicap accessible and open area for social distancing. We will be utilizing all our Escan voting equipment for Early Voting and Election Day Voting. We feel confident we have just enough experienced Election Officers to cover the seven locations.

Two of our larger locations will have eight machines, which is the Bruce Convention Center and the Sr. Citizens Center. Valor Hall will have four machines and the Christian County Courthouse. Crofton City Hall, Sinking Fork Baptist Church and Pembroke Baptist Church will each have three. We will also have seven for Early Voting and four machines for Mail Out Voting Ballots. Please see attached map for more details.
