**Narrative Explanation of County Plan:**

I will have 3 locations available for in person voting on Election Day. All of these locations  
will be "supercenters" where any voter can go to vote regardless of precincts. These  
locations will provide ample room for all 6 precinct officers and up to 4 people voting  
at once. The locations have separate entrances and exits to keep the traffic flowing and  
are all ADA compliant. Each location will have 4 ExpressVotes, 2 DS200s, and 2 ePoll  
books. Voting equipment and ePoll books will be sanitized between voters and social  
social distancing guidelines will be followed. Precinct officers will be wearing masks or  
face shields and face coverings for voters will be encouraged. No other business will  
be conducted at these locations during Election Day other than voting, keeping traffic to  
a minimum and reducing contact with others. If lines form on Election Day, precinct  
officers will ensure that social distancing guidelines are followed.
