Narrative Explanation of County Plan:

Greenup County will have three in person voting centers. One at the Courthouse, one at Flatwoods Senior Center (East Greenup County) 2513 Reed St., Flatwoods, KY 41139 and one at the Lemaster Building (West Greenup County) Corner of Main and James Hannah Drive, South Shore, KY 41175. Hours will be Monday thru Friday 9-4:30 for all locations beginning on October 13, 2020 thru November 2, The courthouse will be the only location for Saturday hours 10-2 the three Saturdays before the election.

We are proposing eight voting locations around the county. Three locations in the most populated part of the county. All locations will have the ability to accommodate any voter in the county. (All ballot styles at all precincts) We plan to use runners to take ballots to locations that run low as we cannot anticipate where voters will try to vote. We already have two deputies who have agreed to that job. We will also set up multiple booths of eslate machines that have all ballot types. (no paper ballots). We plan to advertise all our voting options to the voters in multiple ways.

We plan to do everything possible to safeguard against Covid. Protective screens, hand sanitizer, gloves and fans for ventilation. We have made a request to the National Guard to help with social distancing. If we do not get the National Guard we will try to obtain off duty police officers to help with this.
