Re: Polling Location Change

Dear State Board of Elections,

Since the adoption and approval of Hopkins County's general election plan I have a location that needs to be changed for Election Day voting on November 3, 2020.

The Hopkins County Board of Education strongly advised against using the school for Election Day voting. Hopkins County voters will no longer vote at West Hopkins School 2695 Rabbit Ridge Rd. Providence, KY. The supercenter location that will take its place in the same general area is the Nebo Community Center located at 100 S. Bernard St. Nebo, KY 42441.

Please help me to help voters by updating this information of the website.

Thank you,

*Keenan Cloern*
