Narrative Explanation of County Plan:

If Jackson County can receive enough DS200 and ExpressVote machines, we will have all polling locations open Election Day. However with the current number of machines on hand and those that we have been notified of receiving, we will have 6 polling locations across the county on Election Day. This will allow voters in the county to vote at any of the 6 locations that day. Early voting for those that wish to vote in person before Election Day will be held in the Community Room at the Jackson County Courthouse.
