**County:** Jefferson

**Total Pages in Plan:** 3

This is not an amendment to an existing plan.

## **Narrative Explanation of County Plan:**

Jefferson County plans to have 20 polling locations on election day primarily located in public middle and high schools located throughout the county. Every polling location on election day will be a vote center so no voter will be turned away because they are at the wrong polling location. In addition, Jefferson County plans to operate 4 locations for three weeks of early voting. These locations will also be open on election day. The four locations for early voting are the Kentucky Exposition Center, KFC YUM! Center, Kentucky Center for African American Heritage and Louisville Marriott East.
