Narrative Explanation of County Plan:

Mason County will use one early voting center, Oct. 13 - Nov. 2. This will be held at a fellowship hall of a church and is a polling place used in elections. For Election Day, I will have 2 voting centers for voters. The first is the church fellowship hall used for early voting and the second location is the Mason County Fieldhouse, which was used in the Primary Election in June. It is a large gymnasium with over 36,000 square feet and seats approximately 5500 people. There is plenty of parking available to voters. This site worked extremely well for the Primary Election and I received many favorable comments from voters.
