Is This an Amendment to an Existing Plan? Y/N

If Yes, Please Explain Amendment: We are expecting a very busy General Election and we are requesting going from one voting center to five to be able to cover our county.

Narrative Explanation of County Plan:

We cannot open all of our voting precincts due to Covid 19 for all of Mercer County and be able to follow all guidelines. We do believe as the Mercer County Board of Elections that we can open the following precincts and be safe, secure, and conduct this election with the utmost integrity, while following all guidelines. McAfee is located in the North, Burgin Baptist Church is located in the Southeast, Cornishville is located in the West, National Guard Armory is in Harrodsburg and will help with our Western voters, Lions Park Building will serve our city voters in Harrodsburg. We will be using at minimum 36 Pollstar voting booths on November 3, 2020 General Election.
