**Is This an Amendment to an Existing Plan?**  Y  N

**If Yes, Please Explain Amendment:** We only used 1 polling location during the Primary Election. Requesting more for the General Election. (Perry County Central High School)

**Narrative Explanation of County Plan:**

Polls on Election Day will BE open 6am to 6pm as usual. Perry Central High School (John C. Carter Arena) will serve as the County-wide Voting Center. At each of our polling locations, we will practice healthy behaviors to protect our poll workers and our voters. Perry County has 20,422 registered voters and it is essential to have more polling locations to better serve our community. Perry County Emergency Management has reviewed each polling place and location and has made the determination that the appropriate precautions are consistent with the recommendations of the CDC and the Kentucky Department for Public Health.
