**Narrative Explanation of County Plan:**

I plan to have 4 county-wide voting centers or election. They will be spread out around our county. Any location can accommodate any voter no matter the precinct. All locations are approved for accessibility through past ADA surveys.

Signs will be posted at each regular precinct letting voters know the available options.

Signs will be posted asking persons to adhere to CDC recommendations. Social distancing will be encouraged and mapped out.

**2020 General Election Early Voting Locations**

\*\* These locations do not need to be approved, though the emergency regulation states that SBE and SOS will help counties publicize early voting locations. Completing this form makes that possible.
