Is This an Amendment to an Existing Plan? Y/N

If Yes, Please Explain Amendment: _____

Narrative Explanation of County Plan:

--The Todd County Board of Elections has voted to have the Todd County Courthouse as the voting center for the 2020 General Election. We also plan to have all 9 polling locations and 13 precincts open. Three of the polling locations do have more than 1 precinct during a regular election. Please see attached.

--Each polling location will have a table set up as the voter comes in with hand sanitizer and paper towels. Once the voter has signed the poll book they will be given their ballot and a pen. After the ballot has been completed the voter will take their ballot and run through the escan. A box or cup will be set at the exit for pens to be placed. The pens will be wiped with sanitizer and reused.

--Hand sanitizer, mask, paper towels, and spray cleaner will be available for the poll workers to clean after voters. Stand up shields have been made for the poll book tables.

--My hope is for this to be approved as we have 3 city races, 2 school board races, and 1 county race. Todd County currently has enough poll workers with a couple of subs to help Election Day.

--Please contact me, Cindy O'Bryan, Todd County Clerk, with any questions or concerns.

Respectfully, Cindy O'Bryan, Clerk

**** These locations do not need to be approved, though the emergency regulation states that SBE and SOS will help counties publicize early voting locations. Completing this form makes that possible.**
