Pulaski County was formed in 1799. It is located in the Pennyrile region of the state. In 2020 the county population was 65,034 in a land area of 661 square miles, an average of 98.8 people per square mile. The county seat is Somerset. Its population

in 2020 was 11,924 persons. There are four other incorporated cities in Pulaski County; Burnside (843) Science Hill, (696), Ferguson (886) and Eubank (313)

The county has 56 precincts, with 50,606 registered voters as of 07/26/2023.

There are 10,130 democrats, 36,059 republicans, with the balance and 4,417 designated as others. Due to the size of the county and the disparity between the two parties, the County Board of Elections (CBE) wishes to remain with the voting centers rather return to the pre-pandemic precinct voting, due to the difficulties in sufficiently staffing the precincts.

We feel that the voting centers are better in that we have the best of the workers, and they are able to pool their knowledge to prevent the small mistakes that plague the elections every year. It also allows the precinct workers to vote the awaiting voters while handling the problem voters on the side.

The plan is to retain the eight voting centers used in 2022. They are;

- 1) The Hal Rogers Regional Fire Training Center,
- 2) Rocky Hollow Recreational Center in Somerset
- 3) The South Kentucky RECC Community Room on Parkers Mill Road
- 4) Nancy Elementary Gymnasium
- 5) Science Hill Elementary School
- 6) Old Shopville Gymnasium
- 7) Jordan Christian Academy Fellowship Hall
- 8) Oak Hill Baptist Church Gymnasium.

We would like to have voting at three sites for all the available days. They are

Hal Rogers Regional Fire Training Center (1), Rocky Hollow Recreational Center (2), and South Kentucky RECC Community Room (3).

Due to its rural location and distance from Somerset, we would like to open the **Nancy Elementary Gymnasium (4)** for early voting as well, however we do not wish to interfere with the schools on the other days so want to limit voting for Saturdays only.

All locations are voting centers.

To recap the number of precincts voting at each center, here is the complete list:
