Number of registered voters		
45,118 as of 6/2023		

Narrative Plan (please attach additional sheets if needed)

- 1.) Why is this consolidation of these precincts desirable?
- This is the same plan used in the last election

Accessibility and large space for voters to spread out. This has been a successful plan in the previous four elections.

- 2.) In what manner will Precinct Officers be assigned?
- This location will be fully staffed with election officials

This location will be staffed with additional election officers as well as equally divided representation.

3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"

Local newspaper, co clerk website, social media, postcards by household, flyer's/handouts given out by local entities and businesses & signage posted around the county.

4.) How will the voting location serve as a focal point to meet the needs of a diverse community?

This location is the public library for Scott County, therefore well known to most citizens. The facility has ample parking as well as an open space within the facility for a large crowd. This has been a successful plan in the previous four elections.
