1.) Why is this consolidation of these precincts desirable?

2.) In what manner will Precinct Officers be assigned?
 This location will be fully staffed with election officials

Yes, we will need approximately 10 election officers for the voting equipment at this location.

Banners, signs, social media, newspaper, word of mouth and County Clerk Website

4.) How will the voting location serve as a focal point to meet the needs of a diverse community?

This location could be utilized by all 3 precincts as it borders 2 of our 3 precincts on the western side of our county. This location has easy access and is utilized by all residents from all areas of our county. It is a centralized location within our downtown area. This location is well maintained, very clean and handicap accessible. Large enough to sustain multiple precincts

Narrative Plan <i>(please attach additional sheets if needed)</i>
1.) Why is this consolidation of these precincts desirable?
<input type="checkbox"/> This is the same plan used in the last election
All of our locations will be used as vote centers to allow voters to go to any location. This will cause less confusion for the voter trying to figure out where to go.
2.) In what manner will Precinct Officers be assigned?
<input checked="" type="checkbox"/> This location will be fully staffed with election officials
We will need 5-6 election officers for the voting equipment. This location is in a very rural part of our county. It is to accommodate those that are the farthest out. Low turnout expected at this location always, as it is located in the farthest eastern part out of county.
3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"
Banners, signs, social media, newspaper, word of mouth and County Clerk Website
4.) How will the voting location serve as a focal point to meet the needs of a diverse community?
