Members of the Board of Elections,

I have attached the Mason County Election Plan for the General Election in November. Everything in the plan is the same as the Primary Election held earlier this year, except for the addition of another early vote center. The Mason County Board of Elections voted unanimously to add another early vote center considering the anticipated higher turnout for the General Election. The board voted to use the Mason County Extension Cooperative building, which is located on a highly traveled road and is well-known to residents. This additional early vote center will be an asset to the election process in giving voters another option for early voting. If you have any questions or need further explanation, do not hesitate to contact me.

Sincerely,

Stephanie G. Schumacher
Mason County Clerk
