# NOVEMBER 5, 2024, GENERAL ELECTION NARRATIVE EXPLANATION OF PERRY COUNTY PLAN

Perry County has 18,980 registered voters. The Perry County Board of Elections and I believe that to serve the voters of Perry County appropriately, we will need (21) polling locations for the General Election on November 5, 2024. We have attached a list of those (21) polling locations and the precincts that will be consolidated. Also, we have documented the approximate radius miles of travel for the voter to each voting center. Two maps have been created to pinpoint the location of our voting centers. One map will show the polling locations in the City of Hazard and the other map will show the polling locations in Perry County.

We will have (4) County Wide Voting Centers for the November 5, 2024, General Election. The County Wide Voting Centers will be located at the Perry County Central High School, Whitaker Athletic Center, Gospel Light Baptist Youth and Community Center and the Old Sears Building. The Perry County Courthouse will be our polling location for 6 Day Absentee Voting and 3 Day Early Voting. Also, the Perry County Library will be a polling location for the 3 Day Early Voting. Our voting plan is the same as the plan used in the May 2024 Primary Election. We have not made any changes.

Thank you,

Wayne Napier (
Perry County Clerk
