Narrative Plan

We plan to have 9 Voting Center's placed throughout the county that will be available to all voters with reasonable mileage. We have worked with the Sheriff and sheriff's deputies making sure that driving distances were anywhere from 8 to 10 miles. To accommodate for this Presidential election, we have added an additional voting center in the Corbin area. This plan recognizes the importance of fostering accessibility, convenience, and transparency in the electoral process.

Registered voters in the Pine Mountain Precinct will be the only individuals who will need to travel further than 8 to 10 miles. However, this precinct has voted at Whitley East Elementary School for numerous years and are accustomed to driving the further distance to vote. Whitley East Elementary is one of the 9 voting centers.

The 6-Day Walk-In Absentee Excused will be held at the Whitley County Courthouse.

Three-day early voting locations will be held at Whitley County Courthouse and Corbin City Hall. Corbin City Hall is also one of the 9 voting centers.

Voting Centers and early voting, provides citizens with a flexible timeframe to cast their ballots. We have utilized almost every school in our county with Voting Centers and have witnessed an increase in voter turnout.

This plan also allows our county to have fewer precinct workers, which not only saves the county money but, relieves the burden of not being able to find enough precinct workers.

2022 and 2023 Primary and General Elections went very smoothly. Whitley County Voters were very pleased, being able to **Early Vote** and having 8 different polling locations to cast their vote on Election Day. Adding an additional location in the Corbin area for the 2024 Primary and General Elections decreases the congestion in that area. Many wonderful comments from our voters with the new ways to vote, less confusion, more options and saving our county money.
