Attached is my Election Plan for approval for 2026 Elections. I am using the same plan that I have used for the last 4 elections.

This plan has worked well for my county and the voters are very satisfied with the locations and setups at each location. We have received a lot of positive feedback.

Thank you for your review of my 2026 Election Plan and I hope you will see that it does and has worked very well for my county.

Thanks,

Danielle Kinman

<b>Narrative Plan</b> (please attach additional sheets if needed)
<b>1.) Why is this consolidation of these precincts desirable?</b> <input checked="" type="checkbox"/> This is the same plan used in the last election
The vote center is located in the center of our county. In prior elections we have always had the highest turnout at this location. Our community likes this location as it is spacious, convenient and handicap accessible. Majority of the voters prefer this voting location over all the others.
<b>2.) In what manner will Precinct Officers be assigned?</b> <input checked="" type="checkbox"/> This location will be fully staffed with election officials
Yes, we will need approximately 16 elections officers for the voting equipment at this location.
<b>3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"</b>
Banners, signs, social media, newspaper, word of mouth and the County Clerk website.
<b>4.) How will the voting location serve as a focal point to meet the needs of a diverse community?</b>
This is a well known vote center as it has been used in every election beginning in 2020. It is located within our State Park in the center of our county. Voters are familiar and comfortable with this location and they love our set up there. We always recieve a lot of positive feedback about how quickly voters are in and out of this location due to the size of the building and our election day setup.
