Re: Warren County 2026 Election Plan

Dear State Board of Elections Members & Staff:

On Monday, November 17, 2026 the Warren County Board of Elections voted 4-0 to utilize the enclosed voting plan. Warren County will maintain the plan that was used in the November 2024 election. Five vote centers will be open for both early voting and Election Day with nine additional locations on Election Day.

Warren County currently has 91,631 registered voters. The board feels that vote centers allow voters to go to the most convenient location for them. We feel that all locations are well equipped and staffed efficiently to support the number of expected voters at each location. Members of the county clerk staff will also be present to assist voters and election officers.

Voting locations will be publicized to voters through the use of social media and informational handouts. Required notices will also be posted in the Daily News. Information will also be published on the county website and through news media outlets. All information will also be posted on our website at warrencountyclerk.ky.gov.

Vote centers are located throughout the county to best serve voters. The board is confident that our plan will result in another seamless and successful election.

Sincerely,

A handwritten signature in black ink that reads "Lynette Yates".

Lynette Yates, Chair
