State Board of Election
140 Walnut St
Frankfort KY 406
Attn: Richard House

Dear Mr. House,

As required, I am submitting update and no change information for Boone County for the 2023 Primary Election.

Ballot Drop box locations have not changed from the previously posted plan for Boone County. For the 2023 Primary Election Boone County will have two drop boxes for absentee ballot return. In same locations as prior Election. One box located in our office at 2950 Washington St. Burlington KY 41005 in the Voter Registration Department and one box in the Florence Government Center main lobby located at 1800 Ewing Blvd. Florence KY 41042.

Regarding the six days of in person excused absentee voting, that will take place in our building in Burlington at 2950 Washington St. Burlington KY 41005 and there will be no other location. This has not changed from previous plans.

Boone County made no changes to their in person no excuse voting plan. In Person no excuse Absentee Voting on Thursday May 11, 2023, Friday May 12, 2023, and Saturday May 13, 2023 there will be one Early Vote Center in Boone County at the Boone County Extension Center at 1955 Burlington Pike Burlington KY 41005. The building also has an address of 1824 Patrick Dr. Burlington KY 41005, which will be the advertised location as this address is closest to the entry door to where voting will take place. This location is the only location for early no excuse voting, same as last Election.

I should note also that our Early Vote hours have not changed those will remain the same as the last Election. Those hours are as follows:

Thursday 9:00am-6:00pm
Friday 8:00am-5:00pm
Saturday 7:00am-3:00pm

There are two location changes for Election Day voting. I have enclosed the form SBE 74 for the consolidation of two locations for Precinct Florence 15 (B133) and Union 6 (B130) as well as a Polling Place Update form for the one precinct involved in this consolidation that will relocate (Union 6, B130 will move to the same location as Florence 15, B133). I have also filled out a Polling Place Update form for the Verona precinct (B126), we had to move this precinct to a new location due to parking concerns and accessibility issues. The space was entirely too small. All other portions of our plan have not changed and remain the same as previously submitted.

Please contact me if any further information is required or needed.

Sincerely,

Stacy Adkins

Narrative Plan (please attach additional sheets if needed)

1.) Why is this consolidation of these precincts desirable?
<input type="checkbox"/> This is the same plan used in the last election
Precinct locations are currently in close proximity and location for Union 6(B130) is no longer a desirable polling location due to parking issues and building use by others during Election. Combining locations provides least disruption to process. current
2.) In what manner will Precinct Officers be assigned?
<input checked="" type="checkbox"/> This location will be fully staffed with election officials
There will be three judges, two clerks and one Sheriff (three workers from each party) As well as a Deputy County Clerk onsite all day.
3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"
Voters will receive a postcard. We will post changes on our website & social media and advertise precinct locations in newspaper
4.) How will the voting location serve as a focal point to meet the needs of a diverse community?
This location provides a convenient, large space compliant with ADA regulations. This location will be same space previously used by voters in the Florence 15 Precinct. This location is only a change for voters in the Union 6 precinct. This location is only one mile from Union 6 precinct current polling location
