<b>Narrative Plan</b> <i>(please attach additional sheets if needed)</i>
<b>1.) Why is this consolidation of these precincts desirable?</b> <input type="checkbox"/> This is the same plan used in the last election  Last year our voters loved being able to go to the location of their choice to cast their votes. It was more accommodating to working voters, which may work far away from their original precincts. We received positive feedback from having all ballots at all locations.
<b>2.) In what manner will Precinct Officers be assigned?</b> <input type="checkbox"/> This location will be fully staffed with election officials  Having 7 County-wide Vote Centers instead of our original number of precincts we can fully staff even better than before. More workers at each location to help assist voters to have a swift and easy voting experience.
<b>3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"</b>  Newspaper, radio, signs, social media, bill boards, and word of mouth
<b>4.) How will the voting location serve as a focal point to meet the needs of a diverse community?</b>  This location provides multiple voting locations for royal and urban residents of the county. The space allows for better flow of traffic while allowing us to better follow all recommendations of social distancing. Helping us to ensure everyone is able to cast their vote and feel 100% safe to do so.

**Narrative Plan** *(please attach additional sheets if needed)*

**1.) Why is this consolidation of these precincts desirable?**  
 This is the same plan used in the last election

Having the one location for early voting made it much easier on our voters. The crowds last election were kept to a minimal having it spread out over a few days.

 This location will be fully staffed with election officials

We will have more workers available to assist all voters as they need, and to keep the process smooth and efficient.

Newspaper, radio, signs, social media, bill boards, and word of mouth.

**4.) How will the voting location serve as a focal point to meet the needs of a diverse community?**

It is in the center of the county with adequate space to meet all needs.
