It is a cost savings for the county.

3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?" Newspaper Notices. Local Radio Ads. TV Coverage. Posted on Social Media Outlets & Websites
4.) How will the voting location serve as a focal point to meet the needs of a diverse community? One County Wide Vote Center will be placed in each of the 5 Magisterial Districts plus one County Wide Vote Center hub that will also be used for Early Voting. Three locations strategically placed in the City of Henderson and three locations strategically placed out in the county. One of the City of Henderson locations is in an economically challenged area for those who may have to walk or use public transportation.
