Narrative Plan (please attach additional sheets if needed)

1.) Why is this consolidation of these precincts desirable?

☒ This is the same plan used in the last election

We used this building before when we had all voters come to vote on Election Day. It worked very well.

2.) In what manner will Precinct Officers be assigned?

☒ This location will be fully staffed with election officials

We will have 2 tables set up for all aspects of early voting for the 3 days set aside, mandated by the Commonwealth of Ky. Thurs, Fri, & Saturday.

3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"

Newspaper, County Web Site, Facebook, etc...

4.) How will the voting location serve as a focal point to meet the needs of a diverse community?

It is located on our county's fairgrounds. Everyone knows where it is. It has worked very well for a county wide election.

| <input checked="" type="checkbox"/> This is the same plan used in the last election |
| Have used Campbellsburg Elementary for prior elections. We are consolidating to include a small portion of the Turners Station area. This will allow voters to vote there, instead of having them drive to a rural location. That magisterial district is very spread out. |
