Narrative Plan (please attach additional sheets if needed)

1.) Why is this consolidation of these precincts desirable?
☐ This is the same plan used in the last election

Having several vote centers throughout the county will serve the needs of all residents and gives them the option to vote at either location. Those voters who work outside the county may stop on their way in from work and vote at their closest location. It will also save the county money not having 14 precincts open.

2.) In what manner will Precinct Officers be assigned?
☐ This location will be fully staffed with election officials

Our desire is to have 5-6 Election Officers present, 2 clerks, 2 judges and 1 sheriff.

3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center"?

We will publicize in the local newspapers and on WWAG Radio Station.

4.) How will the voting location serve as a focal point to meet the needs of a diverse community?

The building has plenty of parking spaces, with handicap accessible parking. The fellowship hall that will be utilized is very spacious and can accommodate large crowds.
