Narrative Plan (Please attach additional sheets if needed)

1.) Why is this consolidation of these precincts desirable?
 This is the same plan used in the last election
 More access for voters. General 2020 had great results with similar plan in place for less locations. All voters were very pleased with this set-up.

2.) In what manner will Precinct Officers be assigned?
 This location will be fully staffed with election officials
 Even number of Republican & Democrat workers. We try to keep each poll worker close to their home residence. Will be fully staffed to our county's needs.

3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"
 Will be listed as "County wide vote centers". Publicized by radio, newspaper, flyers, signage, social media, & word of mouth.

4.) How will the voting location serve as a focal point to meet the needs of a diverse community?
 We have more rural voters here in Lincoln Co., so this setup will ensure that our community has all options available to them. Most voters travel to work, so our locations are accommodating to that as well.
