<b>Precincts in Voting Location</b>

<b>Narrative Plan</b> <i>(please attach additional sheets if needed)</i>
<p><b>1.) Why is this consolidation of these precincts desirable?</b></p> <p><input type="checkbox"/> This is the same plan used in the last election</p> <p>We are required to have early voting. I am moving from the Courthouse because the number of ballot faces (51) will make it impossible to have enough room in the Courthouse.</p>
<p><b>2.) In what manner will Precinct Officers be assigned?</b></p> <p><input type="checkbox"/> This location will be fully staffed with election officials</p> <p>I will have 4. May need extra because of the large number of ballot faces.</p>
<p><b>3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"</b></p> <p>Local Media</p>
<p><b>4.) How will the voting location serve as a focal point to meet the needs of a diverse community?</b></p> <p>I am unsure what this question means. The Joe Creason Community Center is a large building with a large parking lot. It is located about a mile from the Courthouse.</p>
