MEADE COUNTY VOTING PLAN FOR ELECTION DAY PRIMARY 2022

Precinct A101 (Muldraugh) – this precinct is in an area of the County that is off by itself. A good bit of the precinct is the city of Muldraugh. We are leaving this precinct to vote in their normal location at Muldraugh City Hall. This precinct will be the only precinct voting at this location.

We will have a consolidated voting location at Flaherty Elementary School. Voting at this school will be Precincts A102, C101, C102, C103, and E103. These precincts already vote at this school but will now be consolidated.

We will have a consolidated voting location at Ekron Elementary School. Voting at this school will be Precincts E101, E102, and F105. These precincts already vote at this school but will now be consolidated.

We will have a consolidated voting location at Payneville Elementary School. Voting at this school will be Precincts F101, F102, and F103. These precincts already vote at this school but will now be consolidated.

We will have a County-wide Vote Center at Meade County High School. This school will serve all citizens of the County. It is centrally located and can accommodate large crowds.

IN-PERSON ABSENTEE VOTING

The Meade County Clerk's office cannot accommodate voters for absentee voting. Nor can any office in the building. We will have our absentee voting at the Farm Bureau Community Building. It is located in Brandenburg in the center of the County. It is a large building able to accommodate many voters at one time. It is also ADA compliant and has many disabled parking spaces.
