 This location will be fully staffed with election officials

First priority will be given to the Precinct Officers who staffed this location in the 2020 General Election.

Both A101 & A104 are located in small, rural church facilities. A101 has very few voters. A104 location does not have any permanent staff. The Clerk's office does not have a contact person for A104. 4.) How will the voting location serve as a focal point to meet the needs of a diverse community? This was previously a single Precinct location. With Congressional redistricting, a small portion of the old A105 had to be seperated into an new Precinct (A106). These voters previously voted at the Nelson Co Fairgrounds. We feel it is easiest to leave their voting precinct unchanged.
