Good morning!

I am attaching the Voting Plan that the Oldham County Board of Elections approved yesterday.

Julie K. Barr, County Clerk

# **VOTING PLAN FOR OLDHAM COUNTY PRIMARY & GENERAL 2022**

The Oldham County Board of Elections met to discuss the Election Plan for future elections for this county. After great success and accolades from the 2020 cycle, the board has decided to implement a plan that basically duplicates the General Election of 2020, with the exception for early voting.

## EARLY VOTING

John Black Center-Can accommodate 200 or more Privacy  
Screens set up

## ELECTION DAY

### ➤ 5 COUNTY WIDE VOTE CENTERS

- North Oldham High School
- Oldham County High School
- South Oldham Middle School
- East Oldham Middle School
- Westport Baptist Church Life Center

(Basically, the same plan that was utilized in the 2020 General Election. This was very well received.)

**On the map that I have included, you will see we are utilizing the John Black Center, which is geographically dead center of Oldham County, for EARLY VOTING. We estimate that we can place upwards of 200 Privacy booths. This will keep lines moving and with adequate staffing, it should move very quickly.**

**Our ELECTION DAY PLAN will utilize the same exact schools we used last General Election as COUNTY WIDE VOTING CENTERS, but I have also added a 5<sup>th</sup> one in Magisterial District #3. There are only 2 options in that district, neither are great geographically, but the Westport Baptist Church Life Center is a wonderful gym/all-purpose facility.**

**We estimate 15-20 poll workers in each Voting Center to expedite the voting process.**

**Our county has purchased the new Hart Verity systems which hold approximately 4000-4500 ballots in each, so we have more than adequate number voting machines available.**

**As I did with the 2020 Elections, I sent a notice to every household in Oldham County alerting them to the locations, options, manner and times of voting in Oldham County.**
