Narrative Plan <i>(please attach additional sheets if needed)</i>
1.) Why is this consolidation of these precincts desirable? <input type="checkbox"/> This is the same plan used in the last election We are going from 12 precincts to 6 Vote Centers. We will hopefully be able to purchase new voting equipment, have less poll workers and make it easier for voters to find the polling locations.
2.) In what manner will Precinct Officers be assigned? <input checked="" type="checkbox"/> This location will be fully staffed with election officials We will be fully staffed at each Vote Center along with extra workers to help. We have many elderly people who might not work with the COVID epidemic still continuing.
3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?" We will send each registered voter a postcard in the mail, facebook and our weekly newspaper for weeks ahead of the Elections
4.) How will the voting location serve as a focal point to meet the needs of a diverse community? Owen County is a very large county. We will have 6 Vote Centers throughout the County to make it easier on our voters to vote at each end of the County as they travel to and from work.
