MAY 16, 2023 PRIMARY ELECTION
NARRATIVE EXPLANATION OF PERRY COUNTY PLAN

Perry County has 19, 970 registered voters. The Perry County Board of Elections and I believe that in order to serve the voters of Perry County appropriately, we will need (21) polling locations for the Primary Election on May 16, 2023. We have attached a list of those (21) polling locations and the precincts that will be consolidated. Also, we have documented the approximate radius miles of travel for the voter to each voting center. Two maps have been created to pinpoint the location of our voting centers. One map will show the polling locations in the City of Hazard and the other map will show the polling locations in Perry County.

We are requesting (4) County Wide Voting Centers for the May 16, 2023, Primary Election. The County Wide Voting Centers will be located at the Perry County Central High School, Whitaker Athletic Center, Gospel Light Baptist Youth and Community Center and the Old Sears Building. Also, the Perry County Courthouse will be our polling location for (3) Day Early Voting and In- Person Absentee Voting. We will also use the Perry County Library as our second (3) Day Early Voting polling location. Everything else in our plan will remain the same as the last election, except for using the Perry County Library as a second location for the (3) Day Early Voting.

Thank you,

Wayne Napier
Perry County Clerk
