To Whom it May Concern:

Enclosed are the documents detailing the Russell County Election Plan.

Our plan is similar but not the same as the 2022. The locations of the Election Day Voting are the same however the precincts are not. Early Voting and the Excused In Person Absentee Voting are the same.

Our drop box for Absentee Mail in Voting will be at the same location as last election which will be in the Old Courthouse which houses our Clerk's office. A map marked with that location is enclosed.

The hours of our six day early voting is 8:00am to 4:00pm. The hours for Excused In Person Absentee Voting is the same as our Clerk's office hours, 8:00am to 4:00pm.

If more details are needed, please contact me;

1.) Why is this consolidation of these precincts desirable? <input checked="" type="checkbox"/> This is the same plan used in the last election

The election clerk will be responsible for the in person, absentee voting as well as one other representative from the clerk's office so to represent both political parties.

Polling locations and designated excuses will be announced on the local radio stations and in the local news paper on the week prior to the Election. It will also be posted on the RC Clerk's web page.
4.) How will the voting location serve as a focal point to meet the needs of a diverse community?

Narrative Plan (please attach additional sheets if needed)
1.) Why is this consolidation of these precincts desirable?
<input checked="" type="checkbox"/> This is the same plan used in the last election
The Voting Center used for early voting utilizes fewer poll workers than that of full precinct election locations. Early voting also reduces the voter presence to a manageable number for election day. There is less confusion about where to vote because all can participate in the early voting at one location.
2.) In what manner will Precinct Officers be assigned?
<input checked="" type="checkbox"/> This location will be fully staffed with election officials
The precinct officers will be based on location of their precinct and an equal division of party affiliations. Poll Workers will have an opportunity to voice a request of location at the Poll Worker Training.
3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"
Polling locations will be announced on the local radio stations and in the local news paper on the week prior to the Election. It will also be posted on the RC Clerk's web page.
