To Whom It May Concern:

Please accept the following 9 pages as Shelby County's plan for the May 2022 election. All of the combines precincts were and still will be voting in the same location. The remaining 20 precincts will be open at the same location as prior to the 2020 election. You will also find a map with all the polling sites marked. I also want to report that we are permanently moving the polling place for A102 from the Hwy 55 south VFD located a 1000 Taylorsville Rd to the Fairgrounds at 1513 Midland Trail. This location is being moved because of requests from voters as the Fairgrounds is more centrally located. If you need further information please contact this office.
