### Narrative Plan (please attach additional sheets if needed)

#### 1.) Why is this consolidation of these precincts desirable?

☐ This is the same plan used in the last election

In the past Sebruc has been a vote center, but the location was at elem. school gym. It's becoming more difficult to use the school with in service, ball practices, etc. The parking is also very confusing. The CROE met & agreed it would be better to use the Sebruc Fire Dept next door to city building.

#### 2.) In what manner will Precinct Officers be assigned?

☒ This location will be fully staffed with election officials

#### 3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?"

All registered voters in the B102 + B103 precincts will receive a postcard & there will be signs posted, newspaper & facebook.

#### 4.) How will the voting location serve as a focal point to meet the needs of a diverse community?

The new voting center location is more centrally located & easy to see since it's adjacent to the City buildings. Parking is available & is less confusing than previous Vote Center.
