State Board of Elections,

The McLean County Election plan for 2023 General Election is as follows:

Excused Absentee voting and No Excuse Absentee voting will be held in the McLean County Clerk's Office.

We will have all eight (8) precincts open at 5 voting locations. This is the same plan as last year and many years prior.

We do not consider them voting centers because, even though they are in the same room and share the same voting machines (scan and duo), the precincts are separate. Each precinct has a precinct specific EPB and poll workers.

Rumsey A101, Calhoun 1 C101, and Calhoun 2 D101 are at the same location, in the same room but Calhoun 1 & 2 share one (1) Verity Scan, Rumsey has one (1) Verity Scan. All three (3) precincts share one (1) Verity Duo.

Livermore 1 B101 and Livermore 2 C102 are at the same location, in the same room but share one (1) Verity Scan and one (1) Verity Duo.

Narrative Plan <i>(please attach additional sheets if needed)</i>
1.) Why is this consolidation of these precincts desirable? <input checked="" type="checkbox"/> This is the same plan used in the last election These 2 precincts have always been in the same room. Each precinct will have separate EPB but will share 1 Verity Scan and 1 Verity Duo. This plan saves the county dollars.
2.) In what manner will Precinct Officers be assigned? <input type="checkbox"/> This location will be fully staffed with election officials Each precinct will have 1 clerk, 1 sheriff and 1 ballot judge. They will also have the second judge to stand by the scanner if we have enough workers, if not they share 1 scanner judge.
3.) How will the voting location be publicized to voters? How will the location be noted as a "Vote Center?" The location holds 3 precincts and will be publicized at precinct not vote center
4.) How will the voting location serve as a focal point to meet the needs of a diverse community? Honestly, I don't know how to answer this question other than to say, provides a clean, safe, accessible building for our voters.
