To Whom It May Concern:

Our election plans are mostly the same as they have been with the voting centers. We are utilizing 3 main schools in the county since their locations are spread throughout the county and they provide plenty of parking along with being able to accommodate large crowds. They are all also handicap accessible as well. We will be adding more machines to each location since receiving funding to purchase more.

Clay City Elementary was overrun with voters in the 2022 General Election so I have been looking to add another location since then. There aren't many options that are available in Clay City, but we got approval from a local church just recently. This is a very good option since it is at the entrance of Clay City and has plenty of parking and is also handicap accessible. The fellowship hall already has cameras and is very spacious so I don't expect any problems.

Our drop box will be located at the Powell County Courthouse which is the same location we have had since 2020. Excused early voting will be at the Powell County Extension Office, which worked very well in the Primary. No-excuse early voting will be at the Powell County Clerk's office.

Thank You,

Jackie Everman  
Powell County Clerk
